Crayin' in the rain with the pain in my brain,
tryin' to forget its drivin' me insane.
What else can I do she's on the one way track,
my baby's gone and she's never comin' back.
 Damn I wish I could turn back time,
 when I was happy and my baby was mine.
But I know that I can't bring back my best friend,
 U just don't understand.
 She was all I had in good and bad,
 that's why my face's so sad.
We used to be together like a hand and a glove,
 like Romeo and Juliette madly in love.
I'm goin' out of my mind, my soul is cold,
 my body's movin' slow without control.
 I've been thnkin' about her 24 7,
she's waintn' for me with angels in heaven.

Rainy day, wash my tears away,
 bring back to me my baby.
Rainy day, wash my tears away,
 bring back those eyes and save me.

**Rainy day, rainy day,
oh, rainy day, please, wash my tears away,
rainy day, rainy day.**

Boleče je slovo od ljubljene osebe,
 para ti srce in v duši te zebe.
Topote ni v bližini, tavaš v praznini,
 na čase veselja te vežejo spomini.
Film iz preteklosti misli predvajajo,
 slike neme na steni žive postajajo.
Izginja volja, apetit, ponoči ne spiš,
 gledaš v strop nad sabo, do jutra bediš.
Sprašuješ se, zakaj, iščeš razloge,
 solze po obrazu tiho rišejo proge.
Še tujec prepozna tvojo žalost v očeh,
 otrpnejo ti udi, telo zavrača smeh.
Dal bi vse, da zavrtel nazaj bi čas,
 zaman kričiš v nebo, jo kličeš na glas.
Bila sta kot eno skozi pekel in raj,
 v dobrem in zlem, ne bo je več nazaj.

Ni je več, sreča biva z njo,
zdaj solzno je nebo.
Ni je več, žalostno pojo
ji kaplje v slovo.
